

This week, the discovery of the remains of over 2,200 unborn children were found in the home of abortionist Dr. Ulrich Klopfer following his death on Sept. 3rd.

As horrifying as this discovery is for all of us, it is much worse for the mothers who aborted their babies at Klopfer's abortion clinics. Many of these moms have since come to regret their abortions, and now with this new discovery are forced to relive their abortion experiences.

We are asking all of you to join us in prayer for all those mothers and families affected by abortion.

#### Prayer for Healing

*Eternal Father,  
Source of all mercy and love,  
out of love for us you sent your Son,  
and willed that blood and water  
flow from his side to cleanse us of sin  
and restore lost innocence.*

*Hear the cry of each woman who mourns  
the loss of her child to abortion.  
Forgive her sin, restore her to your grace,  
and still the terror of her heart  
with a peace beyond all understanding.  
Through the intercession of the Blessed Virgin Mary,  
Mother of all tenderness and our Mother,  
strengthen her faith in you.  
Give her the consolation to believe  
that her child is now living in the Lord.  
We ask this through Christ our Lord,  
who conquered sin and death,  
and who lives and reigns with you,  
in the unity of the Holy Spirit,  
one God, for ever and ever. Amen.*
